machine turned turtle in a squall and plunged to the ground. Frey was not hurt.

Gibert, on leaving Pontlevoy for Angouleme, lost his way, and landed at Brizay, but later resumed his flight on the first leg of the course.

Garros, the first contestant to reach Angouleme, is 'Appairing his machine from the stage of the flight from Angouleme to San Sebastian.

President Fallieres to-day received through Ambassador Jusserand a message from President Taft, expressing his heartfelt condolence for the loss which France sustained by the death of War Minister Berteaux, and expressing his sympathy for M. Monis, the injured Premier. Messages of sympathy also have been received from the heads of state from practically every nation.

Although the condition of Premier Monis continues satisfactory, Professor Lannelongue officially announced this afternoon that it would be three days before he would be able to say whether the head of the French Cablnet would be out of danger.

The funeral of the War Minister has been definitely fixed for Friday.

would be out of thee French Cablnet would be out of danger.

The funeral of the War Minister has been defnitely fixed for Friday.

The physician's bulletin, issued tonight, says simply:

"M. Monia's condition continues satlsfactory."

The Premier was permitted to take
light nourishment to-day, and Professor Lannelongue, after a consultation,
said there was no longer fear of compilications.

The Premier persistently asks for
news of M. Berteaux. The physicians
told him this evening the Minister of
War was unconscious, and that there
was no hope. The Premier was so
deeply affected that it was deemed hest
not to Inform him of the death of M.
Berteaux until to-morrow.

BAD EFFECT ON CROPS OF RECENT DRY WEATHER

Movement of Green Pens Will Be Materially Reduced—Will Admitted to Probate.

[Special to The Times-Dispatch.] Fredericksburg, Va., May 22.—The big green pea erop in the Rappahannock Valley has commenced to move to the markets. This is usually a very heavy crop, regulring special steamers in addition to the regular schedules to get it into market promptly, but it is feared that the crop this season has been seriously affected by the long
